

Western Canada Summer Games Trophy

Over the days of competition, provinces and territories compete for the Western Canada Summer Games Trophy. At the conclusion of every sport in the Games, each province/territory is ranked according to a system outline in the sport's technical package. Games Trophy Points are then awarded as noted below, with men and women ranked separately when they compete separately (i.e. softball). When men and women compete together in a sport, as in badminton mixed doubles, the points are combined.

1 st Place	=	7 points	5 th Place	=	3 points
2 nd Place	=	6 points	6 th Place	=	2 points
3 rd Place	=	5 points	7 th Place	=	1 point
4 th Place	=	4 points			

When all sports are complete, the points for each province/territory are added together with the team having the highest point total being awarded the Western Canada Summer Games Trophy during the Games Closing Ceremony program.
